

Smart Airport Solutions

SELF BAGGAGE DROP OFF

Installed on existing Check-in Counter

Benefits

- ✓ Support multiple airline departure control systems
- ✓ Larger capacity
- ✓ Higher efficiency for Passengers
- ✓ Simple to use
- ✓ Installed on existing Check-in Counter

Innovative self-service check-in and baggage handling kiosk, installed on an existing Check-in Counter.

Due to the flexible approach to the device design, we are able to combine all possible services in one device:

- Self Check-in
- Self Baggage drop off
- Reprint
- Payment for excess baggage
- Face recognition
